

YANELIS3D BETA/ALPHA TESTER AGREEMENT:

If you do not agree with these terms, you will not be able to become a Yanelis3D Products tester. This agreement is made to protect both of the tester and Yanelis's product.

Please read carefully and return this document via e-mail to support@yanelis3d.net digitally signed.

If you fail to comply with the terms and conditions, you will be removed from testing immediately and no more access to the ftp.

Return this e-mail with the following statement:

Example:

I, tester real name, email, agree to the beta testing terms.

By becoming a Yanelis3D Tester you agree to the following:

I. You are not allowed to:

- a. Sharing information (testing results, description of the product, etc) about the unreleased product with third parties who are not official Yanelis3D testers.
- b. Share the private FTP server user name or password with other people who are not Yanelis3D Tester.
- c. Post artwork of the unreleased product in private or public galleries.
- d. Share the unreleased/released product in a public/private shared folder, warez, host it in public/private servers that are not related to Yanelis3D/RuntimeDNA or Poser Addicts.
- e. Redistribute any of the contents of the product.
- f. Create new product using the contents of the product for testing.

II. What you are allowed to:

- a. Post artwork of the product after the release date or in the same release date.
- b. Use the product according to the license.
- c. Any usage that the license permits after the product finalized testing and is released.
- d. Any usage that remains private/personal meanwhile the product is not released.

III. Payment

- a. Payment for the service to be a beta tester is to keep the tested product file.
- b. Access to a folder with previous products from Yanelis3D.
- c. You can request previous products to be uploaded to the server.
- d. If you as a tester feel that you are not getting a fair payment, negotiations are open.

What is Yanelis3D Looking for?

I am looking for people volunteering to be testers for my products. I am looking for people skilled and Poser knowledge and that are experienced with conforming clothing. People who are able to spot product's problems, poke through, malfunction of the products. I am oriented to create conforming clothing and I need people who can test all the morphs, the clothing in many poses,

texture evaluation, seams, morph malfunction.

Requirements:

- *Poser 5/Poser 6 or Higher*
- *Daz Victoria 4, Morphs ++, Elite Morphs*
- *Advanced Poser Knowledge (Read above)*

Optional Requirements:

- *Aery Soul's Alice 3.0*
- *Blackhearted's GND4 latest update*
- *Pretty3D's Pretty Base IV*
